Memorandum

TO : Director of Training

FROM : Chief, Career Training Program

SUBJECT: Weekly Activities Report

DATE: 10 April 1970

1. The CS Junior Officer Board has decided to recommend to DD/P the acceptance of all eleven CTs currently enrolled in Operations Course II. One, however, will be in something of a probationary status because of erratic performance in training and certain doubts about his consistency of effort.

2. We have completed interviewing [REDACTED] daughter of the [REDACTED] and conclude that while she is a very able young lady she might be better suited for direct hire by the DD/I. We have discussed this matter with her most frankly, giving both her and us a couple of weeks to deliberate on the matter pending results of her field investigation.

3. [REDACTED] a CT on pre-training assignment in the Office of Current Intelligence is resigning on 15 April to accept an FSO appointment.

4. All 25 members of the January 1970 CT Class by Monday, 13 April will have begun the first of two three-month interim assignments throughout the Agency. *notes*

5. A tentative projection for the July 1970 CT Class indicates an enrollment of approximately ten Internals, four military returnees, and six new Externals. The relatively small number of qualified candidates available for July makes attainment of a full class of 25 doubtful. *4*
